# Introduction & Dedications

Dear Reader ~

This book has been designed to be **the** connotative resource for autograph collectors, members of the media and anyone else trying to track down that elusive celebrity or notable. What you hold in your hands is almost 20 years of research, trials & tribulations. No other source in the world (and believe me, I *have* checked) will you find as many mailing addresses, phone & fax numbers, e-mail addresses, websites and other information! This book, using this title or a title similar to it, was first loosely 'published' in 1993 when I was a junior at Minden High School in Nebraska (being the pack-rat that I am... I still have that first one!). Since that time, 19 printed revisions have been done and thousands upon thousands of physical updates have been made to the contact information database. For the record, this book you hold today is being labeled '2nd edition.'

Previously, I must humbly say that this book has been truly self-published. When I say this, I mean this quite literally. Printed on a small home computer and printer, carried by hand to various local office supply stores in such states as Nebraska, Kansas and Florida for copying, hand collating, hand binding, and then carried by my two hands to the post office to fill orders. Doing my own marketing, several hundred copies were sold over the last 15 years, which in a small way I considered an accomplishment. What I consider even more of an accomplishment is the fact I just haven't been able to keep up with demand -- hence this bi-product, which is readily available in bookstores and on the internet throughout the world. With the work that has gone into this 'project,' I'm sure you can understand this toil hasn't been to realize a dream of financial wealth. This has carried on for so long because of a love for what I do -- the ol' hobby gone wrong! My hobbies of collecting autographs, promotions and computers did spawn an entertainment management company & booking agency, as well as this book -- so I guess it hasn't been too bad after all. And not to mention the tremendous friends I've been fortunate enough to have made throughout the country and in all types of celebrity genres. That's what this book is all about!

I'm proud to say I've finally found a publisher that can print this book in a cost-effective manner, delivering a much better product than I was able to on my own. When the 1st edition of The Ultimate Celebrity Address & Phone Book was published in late 2005... I had no idea how popular the book would become. A few thousand copies sold later, this 2nd edition has finally been complete. We've added additional celebrity categories, and a multitude of data updates. It will continue to be updated with regular frequency, and you can always log onto our website at [www.CelebrityPhoneBook.net](http://www.CelebrityPhoneBook.net) for information regarding electronic data updates as well. I've learned a ton doing this book, and truly happy that part of my 'journey' is over. Look for several other related books and biographies to be out in the (hopefully) near future!

Please use caution when using this book! This directory is intended as a 'professional directory' and should be used as such. This book is not intended to make it possible to make calls correspondence without honest and professional intentions. As the purchaser of this book, you assume all liability if you choose to use this directory in an inappropriate manner. Oh, and you will find errors in this book. As information is published, it does change from time to time. Let us know about any errors, and take advantage of our reimbursement program!

**Dedications** - Thanks to my family and friends that have put up with me for so long... babbling about baseball, autographs, computers... and, my dreams. Finally, here's at least a little something to make a good paper eight or book-end on your bookshelf!

And, of course, this book is dedicated to Mom.

Thanks!  
CORD

Ann L. Coslor

## **The Ultimate Celebrity Address & Phone Book**

On the web: [www.CelebrityPhoneBook.net](http://www.CelebrityPhoneBook.net)

[cord@celebritydirect.net](mailto:cord@celebritydirect.net)

Thank you for purchasing The Ultimate Celebrity Address & Phone Book - 2nd Edition! We hope this book acts as not only a "listing of addresses," but a complete reference tool that you can use, successfully, in many way. This book is chalk full of previously unpublished contact information for thousands of celebrities! The book is a compilation of years and years of research, and we have used hundreds of different sources to get this information provided here within. Using phone directories, the internet, friends and families of celebrities, celebrities themselves, actors guilds, alumni associations, and years of experience in the entertainment industry and personal connections, as well as word of mouth, we have hopefully put together the best celebrity contact guide available! Since the release of this book in early December, 1998, many sports alumni associations, actors guilds, booking agents, autograph & memorabilia collectors, the media, and many thousands of others have bought this book for use in their particular field. We hope you find the same value in this reference guide!

Note that we have separated out all the addresses for athletes in Nebraska in many of the sports categories. Why?! Well, we originally set up the database for our independent research and publishing, and that format was needed at the time. While that project is still ongoing, the format remains the same as well. We will probably be changing this in future updates. The Nebraska listings follow the regular listings... i.e. football, then Nebraska football, etc.

**As the purchaser of our book, we ask you to spread the word about The Ultimate Celebrity Address & Phone Book! To make it financially possible to continue selling this book at a very reasonable price, sending free updates and reimbursements for bad addresses, we need more folks like you to buy the book! If you are happy with our product and our service, please let others know about it, so that we may continue to make it the best! If you are not happy with our product or our service, please let us know why and we will do our best to remedy the situation.**

Feel free to check out our websites at [www.CelebrityDirect.net](http://www.CelebrityDirect.net) and [www.CelebrityPhoneBook.net](http://www.CelebrityPhoneBook.net) for a lot of other useful information. There you can find a few autographs we have for sale, celebrity fan pages, see samples of authentic signatures, download or order our autograph inventory catalog, join our new chat room, and so much more! You can even book your favorite celebrity for an event!! While you're there, make sure to sign our guestbook! You can also subscribe to our general autograph discussion group . . . there's a link to easily do it on our website. If you haven't already done so, we encourage you to join in on the discussion! Please feel free to contact us if you have any questions or comments regarding this book, our website, or autographs & interviews in general. And, again, thank you for your patronage.

Sincerely,

**\*\* FREE UPDATES! \*\***

As the purchaser of this book, we are offering you updates to this book... for a lifetime, or as long as you want them. For a one time fee of \$40 (normally \$84.95 to those that haven't bought this printed version), we will provide you with web access to our original database containing all of the enclosed information and more (AOL Instant Messenger names, more complete info, and several other information categories)! This makes it very easy to update the database, make corrections, print address labels, form letters, search, sort by any category, or whatever! And, if you wish, we will keep e-mailing you our updated database ... for life ... completely *free*! This information is downloadable in Adobe Acrobat as well as in our original Microsoft Works database format.

**The Ultimate  
Celebrity Address & Phone Book  
navigation QUICK GUIDE**

- \* Book is divided into individual category sections: music, actors, baseball, etc.
- \* Name, address, phone and fax #s, e-mail, website, and 'info' information is given where available.
- \* The listings are in alphabetical order, in each category... from left to right / top to bottom
- \* Although not 100% complete, if there is one small 'x' to the right of the name listed, it means that particular address has been personally used by us for a written or phoned media / autograph / booking request. If there are two 'x' listed, it means we have had personal success using that information.
- \* If a listing has passed away it will be noted in the 1st address line by a "\*\*\*\*DECEASED\*\*\*\*" notation.
- \* If a listing is no longer current, or invalid, it will be noted in the 1st address line with a "\*\*\*\*NOT\*\*\*\*" notation.
- \* Some listings may have incomplete information listed. We list all the information we have at publishing. As we follow and 'track down' leads, this will often times lead to incomplete info. as we go through the research process.

..... We hope this book will provide you with **accurate** contact information. But, we know that this book is not perfect, nor probably ever will be. So, for your loyalty to us, if you happen to write to a celebrity, only to find their address is no longer valid, we will partially reimburse you for our mistake. If you will mail us your returned envelope front, with postmark - or dated yellow return label, we will reimburse you 50 cents (\$.50) for each one that hasn't already been registered with us. We sincerely strive to make this the best celebrity contact information package in the world, and this policy will help all of us!! Mail invalid labels/envelopes to CDE / PO Box 494314 / Port Charlotte, FL / 33949 / USA.

..... \*\*PLEASE NOTE THIS OFFER IS VALID ONLY FOR MAIL DATED BETWEEN OCTOBER 1, 2009 THROUGH JANUARY 1, 2011.
