JASON BROWNIE BIOGRAPHY

Rising Country music superstar Jason Brownie has a musical style that can be summed up in three words: American. Country. Rock. He's always a fan favorite, personable, and works hard to bring good music to great people! After signing with Clearwater Records, Jason has been on a meteoric trajectory, following the 2022 radio releases of "Pretty Girl On The Passenger Side" and "Ain't How Whiskey Works." The subsequent music videos have taken the internet by storm, the radio airplay keeps increasing, and booking requests are pouring in world-wide! Fans have been requesting more music, and Jason has delivered with the October 2022 release of his first EP, "OPEN ROAD."

Jason has opened for many of country music's biggest names, and his fan following - thanks to a combination of great music, fun live concerts, and personal attention to his fans - is growing throughout the United States and abroad.

He's an especially grounded artist who comes from the "boondocks" of a small southwest Florida town and says his roots lie deep in his love for God and country. Influenced heavily by both country and rock and roll, Jason is passionate about both genres he grew up listening to.

A music journey different than many on the national country music scene, he chose a path of not relocating to Nashville after graduating high school and instead stayed rooted in his hometown perfecting his craft. Jason is the perfect example of the American Dream and through hard work has found himself immersed in his music and achieving those dreams sparked many years ago. While Florida is still home, Jason is no stranger to the Nashville music scene where he's spent time in the studio tracking vocals with country artist Jeff Bates.

Jason comes from a long line of both military and first responders. He's a third-generation law enforcement officer and has spent years serving and protecting his community, while raising his daughter in SW Florida. When not on stage or in the studio, Jason enjoys being a "girl dad," boating, weightlifting, fishing, boxing, and playing basketball & billiards. He has a knack for collecting guitars and cowboy boots and states his influences come from many different artists and genres, and his own grandfather will forever be his hero.

From small-town to the big stage, Jason Brownie has stayed the same.

CLEARWATER RECORDS ARTIST, JASON BROWNIE, SIGNS EXCLUSIVE BOOKING DEAL WITH CELEBRITY DIRECT ENTERTAINMENT

September 1, 2022 / in Country Music/by Michael Glynn

Clearwater Records and Celebrity Direct Entertainment have announced an agreement with country recording artist Jason Brownie, for exclusive performance representation.

"I have dreamed of taking my music further and reaching more listeners, and this new endeavor will make my dreams of touring come true," shared Jason Brownie. "I am very grateful for all my team has done, and adding the booking leg to the team is one step closer to achieving my goals."

Celebrity Direct's Cord Coslor stated, "Jason has been in the industry a long time, and we're honored to now have him as part of the Celebrity Direct family. He has a little rock in him, a lot of country, his band is hot, and we're excited about helping him get out there in front of that growing fan base!"

Celebrity Direct will be handling bookings for the Clearwater Records recording artist at festivals, casinos, performing arts centers and other venues throughout the United States and abroad.

On the rise performer, Jason Brownie, has been garnering interest by fans and industry tastemakers following the 2022 radio releases of "Pretty Girl On The Passenger Side" and his new single "Ain't How Whiskey Works." The subsequent music videos in support of radio airplay has shown a continued increase in his awareness and talent across international borders. Brownie continues to offer new digital music with the releases of "Must Be Summertime" and "Love You Every Time."

Brownie has opened for many of country music's recognizable names, and his fan following, thanks to a combination of great music, fun live concerts, and personal attention to his fans, is growing throughout the United States and abroad.

A third-generation law enforcement officer, Brownie is preparing for a nationwide U.S. tour, which will promote his deep love for God and Country.

JASON BROWNIE RELEASES UPBEAT SUMMER DRIVE COUNTRY DEBUT SINGLE "PRETTY GIRL ON THE PASSENGER SIDE"

NASHVILLE, TENN. - (**May 6, 2022**) - Florida singer/songwriter, Jason Brownie, announced today the release of his debut single, "Pretty Girl On The Passenger Side." This upbeat, country driving tune is just what the nicer weather ordered. Solo-penned by Jason Brownie and produced by Jeff Bates, the single was recorded at Funhouse Studio Nashville, with vocals recorded at Bateshop Studio in Murfreesboro, Tennessee. Rodney Ingle engineered the new music at Funhouse Studio and Jeff Bates served as engineer at Bateshop, as well as handled the editing, mixing and mastering. Download and stream the new music on all digital music platforms including Spotify, Apple Music/iTunes, Amazon Music, Pandora, YouTube Music and more at prettygirlonthepass.com.

Studio musicians on the project featured Lonnie Williams on drums, Joel Key, acoustic guitar, Jonathan Brown, piano, keys and organ, James Mitchell, electric guitar, Kevin "Swine" Grant, bass guitar and Rodney Ingle on background vocals.

"This was the very first song we tracked in Nashville. It was such an amazing and humbling experience being in a room with some of the best session players in Nashville, who were there to play on my songs! This song in particular is just a fun, catchy song and I am very excited with the way it turned out. It's easy to sing along to and so much fun to play live!" relayed Jason Brownie.

"Pretty Girl on the Passenger Side" is a feel-good and full of energy Country tune that speaks to the happier side of life," shares CEO of Clearwater Records-Robert Gomes. "The Clearwater Records family is excited to have Jason as one of the new artists on our label roster and we see a very bright future for his career in music."

"Pretty Girl on the Passenger Side" is a great driving song! There are certain songs that just make a person want to crank the radio up and cruise down the highway, such as the classic "Take It Easy" by the Eagles and Tom Cochrane's "Life Is A Highway." Jason wanted this song to have a vibe similar to that. He wrote the song a couple of years ago, but struggled with the chorus. He had that hook in his head and knew it was catchy, but the lyrics actually went through several variations before he got it right. The song's bridge lyrics were the chorus at one point. The line 'rolling down the road of this beautiful life' was actually the last lyrics written, and it made the song come together and help paint the picture he was trying to convey. Fans always tell him they cannot get that song out of their head.

"An open road
Cloud of dust
Throttle's wide open
And my mind's made up
She's a little hard to handle
When she gets revved up
But she's taught me a thing or two about love
Taught me a thing or two about love
Yeah, she's young and reckless
And high on life
She's a little rebel with fire in her eyes
And I'm rollin' down the road
Of this beautiful life
With the pretty girl on the passenger side ..."

WHAT THEY'RE SAYING ABOUT JASON BROWNIE

opening for Rodney Atkins (2023)

Dear Jason Brownie, Cord Coslor, and the rest of the team at Celebrity Direct Entertainment:

I wanted to express my heartfelt thanks for the incredible performance at the First Annual Celebrities and Heroes Softball Game and Concert. Your musical talent and stage presence created a memorable experience for everyone present.

Not only did you showcase incredible musical talent, but your ability to engage with the audience added an extra layer of enjoyment to the performance. Additionally, you and your team's professionalism and cooperative leading up to the event and backstage did not go unnoticed. Your team's collaborative approach and willingness to work seamlessly with our event staff contributed to the overall success of the evening. It was a pleasure to collaborate with such a dedicated and talented group of individuals.

The positive feedback we have received from attendees further attests to the impact of your performance. Many have expressed their enjoyment with your set and how they looked forward to seeing you again in concert.

Once again, thank you for sharing your extraordinary talents with us. We are sincerely grateful for the hard work and dedication you put into creating an unforgettable night of music and entertainment. We look forward to the opportunity to collaborate with you again in the future.

Phillip Mockler
Event Chair- Celebrities and Heroes Softball Game and Concert
U.S. Marine/U.S. Army Veteran / Advisory Board Member / Program Director
"Everyday Heroes USA" www.mywarriorsplace.org

Dear Jason,

I hope this letter finds you in great spirits. I am writing on behalf of United Way of South Sarasota to express our deepest gratitude for your invaluable support for the recent Celebrity Softball Game and Concert.

Your commitment and contribution played a pivotal role in making the event an overwhelming success. Your belief in our cause and your willingness to partner with us in this endeavor truly made a significant difference.

We were thrilled to witness the positive energy and excitement generated among attendees, participants, and the community at large. Your support not only helped us in organizing a memorable event but also contributed significantly to the support we are able to provide to veterans, first responders, and their families.

We deeply value the relationship we have developed and hope to continue this partnership in future endeavors. Your belief in our mission inspires us to strive for greater heights, and we are immensely grateful for your ongoing support.

Once again, thank you for your generosity and commitment. We look forward to the possibility of working together again in the future.

Thank you,

Barbara Cruz, President & CEO: United Way South Sarasota County * Board Chair, Sarasota County Long Term Recovery Group
