Former longtime Beach Boys' band members Bobby Figueroa, Billy Hinsche and Ed Carter take you on a musical journey featuring the songs of the Beach Boys!

California Surf, Inc. features three of LA's finest musicians who all have a long history of touring and recording as former band members of the legendary Beach Boys; and the group will always include other players who share the same unique credit.

Principal members Bobby Figueroa (drums/vocals), Billy Hinsche (keyboards/guitar/vocals) and Ed Carter (guitar/bass/vocals) each has a distinctive career that includes performances with The Beach Boys at such iconic venues as The Hollywood Bowl, Madison Square Garden, Carnegie Hall, Maple Leaf Gardens (Canada), Wembley Stadium (UK) and many other venues around the world including the Reagan White House. Members have performed at historic rock 'n' roll celebrations including Live Aid, Farm Aid and other major events.

They have received RIAA certified Gold LP Records from the Beach Boys for their studio work on The Beach Boys In Concert, 15 Big Ones, Love You, Still Cruisin' and the 30 Years Of The Beach Boys boxed set.

These fine players have consistently been involved with The Beach Boys' live touring band throughout the '70s, '80s and '90s and can be seen on many of the group's televised performances such as Dick Clark's Rockin' New Year's Eve, MTV videos for "Still Cruisin'" and "Kokomo" and on The Beach Boys' 25th Anniversary TV Special from Hawaii.

These veterans of surf-rock are considered by many to be the "A Team" band for their skills and ability to perform these fun yet intricate instrumental and vocal parts that are the hallmark of The Beach Boys' sound. Over the years, members have shared the stage with Ringo Starr, Sir Elton John, Jimmy Page, Joe Walsh, Roger McGuinn, Billy Joel, Paul Simon, Burton Cummings, America, Chicago, Ray Charles, The Everly Brothers, Three Dog Night, Jan & Dean and many, many others.

Their standard setlist includes all the great early Beach Boys' songs such as "Surfer Girl," "Little Deuce Coupe" and "Don't Worry Baby" and also features a generous selection from the famous Pet Sounds LP with "God Only Knows," "wouldn't It Be Nice" and "Sloop John B." Their show rocks with a non-stop party of crowd-pleasing hits including "California Girls," "Kokomo," "Good Vibrations," "Help Me Rhonda," "Barbara Ann," "Surfin' USA" and "Fun, Fun, Fun."

So if you're looking for the most experienced, talented and well-respected band anywhere in the surf-rock genre, you should consider California Surf, Inc. for your next college date, state fair, corporate event, private function or beach party. Available right now for booking!

Bringing back music by the Beach Boys on Tuesday brought out more than a few hundred people to the Cultural Center of Charlotte County in Port Charlotte. The second "Season of the Stars," presented by Celebrity Direct Entertainment, brought in musicians who had toured and recorded with the Beach Boys. The guys went on to form their own band, California Surf, playing old favorites such as "Good Vibrations," "I Get Around," "Surfer Girl" and more that had the folks in the audience on their feet and dancing in the aisles. California Surf are, from left, an keyboards, Billy Binsche; vocals and percussion, Matt Jardine; vocals and drums, Bobby Figueroa; vocals and guitar, Ed Carter; and vocals and guitar, Philip Bandowick.

Beach Boys music fans Marti McFadden and Fran Wagner dance in the aisle.

Linda Blass shows her souvenir poster autographed by keyboard player Billy Binsche during intermission. For fans of the 1960s group Dino, Desi and Billy, he is the "Billy."

Joe Nutt dances during the show with Barb Lindahl.

For the better part of the show, members of the audience were on their feet clapping and singing along to all their old favorites with California Surf.

Joe Nutt couldn't resist asking a pretty lady to dance. Here, with Deanna Wynn, he dances in the aisle during the show.

After the show, California Surf poses with owner/agent of Celebrity Direct Entertainment Cord G. Colles, second from the right.
