*proudly presents*

**The World's Greatest Surf and  
Beach Party Band**

**Surf City All-Stars**

*featuring Dean Torrence*

[www.surfcityallstarband.com](http://www.surfcityallstarband.com)

**Dean Torrence of JAN & DEAN sings all the Jan & Dean hits with band members from the Beach Boys, Jan & Dean and the Ventures. This Grammy award winning, gold record, multi-hit making ensemble is man for man, the greatest surf and beach party band around!**

**You can now have the option of also adding MIKE LOVE of THE BEACH BOYS with the Surf City All-Stars !!**

The Surf City Allstars were formed in the early 80's when Jan Berry couldn't always perform with Jan & Dean, due to occasional health problems. The Allstars are now a full time endeavor for Dean and the band. The Surf City Allstars are the best surfin' beach party band around on a par with their friends, the Beach Boys. Each member has had a long career in surf and beach music. When you hear the band, you get Dean Torrence singing all the Jan & Dean hits; Surf City, Little Old Lady from Pasadena, Drag City, Deadman's Curve, etc. as well as the songs that Dean sang with the Beach Boys, such as Barbara Ann.

The Allstars bring you all the Beach Boy's hits not only because of Jan & Dean's involvement, but because most of the band members have also toured or recorded with the Beach Boys as well. The Allstars are rounded out with Gary Griffin on keyboards (Beach Boys, Jan & Dean),

David Logeman on drums (Jan & Dean, Mike Love's California Beach Band, Beach Boys), and Don Raymond on guitar/bass (Ventures, Jan & Dean). The band is also very pleased to add Philip Bardowell on guitar and vocals. Philip took Carl Wilson's place with the Beach Boys for the last few years. Most recently, the Allstars added Matt Jardine from the Beach Boys on vocals.

The Surf City Allstars bring the finest oldie's dance tunes to round out their engagements so everyone can dance to their favorite songs and have fun. The Allstars will entertain your group with such audience participation segments as their famous "air guitar" contest, where the band gives away an autographed Fender Startocaster guitar, the "Wipe Out" contest where audience members get a chance to play the famous drum solo with the Allstars and win prizes, and also our Limbo dance contest where even more great prizes are given away!
